About Us

The Children's Bridge Support Services (CBSS) is a nonprofit organization established in 1995 under IRS Code 501(c)(3), dedicated to supporting at-risk children and families through early intervention, education, and family-centered care. Funded by the U.S. Department of Health and Human Services and local agencies, CBSS serves children from birth to six years old across underserved communities. Its programs offer developmental screenings, early learning support, nutritional guidance, trauma-informed care, and caregiver education. With a mission to "Empower every child to thrive by building strong families and supportive communities," CBSS works to create safe, nurturing environments where children can grow, heal, and succeed.
